**Re: Open Records Act Request**

Dear Lanier County Board of Commissioners:

I am writing to request access to inspect and copy the following public electronic records:

I would like a copy (electronic PDF file is fine) of the group Tz2Treatz's reservation application to use the MLK Park on Saturday, June 13th. I would also appreciate a copy of the park rules that apply to all reservations please.

As the Georgia Open Records Act requires, please let me know if search, retrieval and digital media copying fees are estimated to exceed \$25.

Please provide copies of the electronic records in a standard data format such as a JPG or PDF scans of the documents.

If my records request is denied, in whole or in part, please provide me with the section of the Act on which the denial or redaction is based. In cases where a portion of the data is exempt, please redact that portion and release the remainder.

I look forward to your response no later than three working days from today.

Please contact me if you need clarification to fulfill this request or can suggest an easier way for me to get the information I am requesting. In the interest of timeliness, I ask that you do not attempt to contact me by postal mail. My email is publisher@laniercountynewsonline.com, and my phone is 229-854-0186.

Thank you,

- Carol A. Moore, Publisher
